"Ashbrae"

My interest in terriers started attending and helping at working and hunt kennel shows in the 1970's. I was Chairman of the North Yorkshire Working Terrier Club for 10 years and gained much knowledge of Border terriers and Parsons.

I judged my first Championship show in Border terriers in 1987 and have enjoyed judging club shows in Sweden, Denmark, Finland, Germany and Holland including Crufts 2005. I also had the privilege of judging the Speciality show in the USA.

I award CC in Parson Russell Terriers and have judged them in Denmark and Finland. I have been involved with the Northern Parson Russell Club as a founder member and had the honour of being Chairman, and now a Committee member.

I look forward to judging both breeds and thank the Clubs for the invitation.
