## Ghita Jensen (DK)

My name is Ghita Jensen, and I am living on an island in the south of Denmark.

I have had cairn terriers for more than 25 years and have been showing from the Baltic countries to Gibraltar and USA and most of the countries in between.

I bred in a very small scale under the affix Nicktime.

I groomed and showed a co-owned bitch to the title of Cairn of the year 2010, and have won Best Bitch of the year 3 times with my own bitches.

Due to a leg injury in 2010 I did not know if I could show my dogs again I started my education to become an FCI-judge. So far I am authorized to judge all terriers in Group 3. So far I have judged in Denmark, Norway, Sweden, Finland and Germany and will be looking forward to add Italy on this list.

Also I give seminars in anatomy and handling, as I believe you have to know where you dog is "perfect" and where it could be better, in order to achieve knowledge as to how the dog has to be shown and what to look for in a mating.

## Peter Lauber (CH)

My family was always involved in Terriers so I spent at an early age my weekends on dog shows.

I passed my judge exams in 1987 and was the youngest judge in Switzerland at that time.

On a visit in 1991 at the WELKS show my future wife saw for the first time a Bull Terrier and it was love at first sight. The year after we bought a Miniature Bull Terrier that was the foundation bitch of our Minis.

Soon after that i started judging the different Bull breeds too and I was then nominated as a Group judge for all Terriers.

In the meantime I have judged in many countries such as Switzerland, Germany, Austria, France, Italy, Belgium, Czech Republic, Netherlands, Denmark, Sweden, Norway, Finland, USA, Australia, Luxemburg, Ireland, Israel, Spain, Gibraltar, UK, Ukraine, Poland, Estonia and Portugal.

Under the prefix Dytona we bred Miniature Bull Terrier.

We bred many champions in different countries and also won several titles such as European-, World junior champions, Bundesjugendsieger, Bundessieger, World- and European champions, BOB Eukanuba National, Westminster and Montgomery, Breed record holder in the USA with 15 BIS at all breed shows.

We also bred and owned Champions in Airedales, Lakelands and Wire Fox Terriers.

I was for 16 years the president of the Miniature Bull Terrier Club of Switzerland and i was a member of the board for judges and exhibitions of the Swiss Kennel club for several years.

## Lillian Lleton (DK)

I was born on Marts 14, 1947 and I grew up as a single child. From early age on I adored dogs. Where my mother was afraid of dogs, I cuddled all the dogs, I had the chance to.

I got married in 1966 and after some years I got first 1 then 2 and then 3 dogs. These first dogs were 2 West Highland White Terriers and a Scottie. I started to go to dog shows and soon I realized how little I really knew about dogs. I then had my first litter and was suffering when I had to let some of the puppies go and I still do this today; I want to keep them all.

I also had Irish terriers for a while but this wonderful breed is a dog, who deserve a family home and not to be a dog among others. I also got involved with Australian terriers, Fox terriers, Airedale Terriers and Cairn Terriers. My friends had/have these breeds and we spend many hours to look at and discuss them. I have trimmed and showed many top terriers with great pleasure.

It was Britta Roos-Börjesson, who made me believe in, I should become a judge and in 1992 I had my license for the first 5 Terrier breeds. I soon finished the Terriers and started on group 9, where I have several breeds, which I judge with pleasure.

I have judged in most of Europe, USA, Russia, GB and Ireland and Australia.

Nowadays I don't judge so much, as I want each show to be something I am looking forward to.

## Allison Kenny Marriott (UK)

I have owned a Scottish Terrier from being 10 years old and since then there has always been a Scottie in my life. I have bred/owned 8 UK Champions and the kennel was the top kennel in the UK of the last decade. I have also owned three Top Scottish Terriers of the Year in the UK. There are also many Millingford champions abroad.

I started my judging career in 1984 and gave my first CCs in the breed in 2001 at the Scottish Kennel Club. Since then I have judged at Championship level at STBEA , North of England STC and Scottish Terrier Club of England. I have also judged in many countries abroad. My last judging appointment was judging the breed at Crufts 2019.

I look forward to judging today's special show especially after the recent unprecedented times.

## Anne Tureen (I)

2007 Acquired my first Irish Terrier (showdog) I have bred more than 10 champion dogs, including European jr. ch (Tuscan Red Elzana), Crufts class winner (Tuscan Red Fontalloro), and several Jr. BIS, BIS and group winners.
